Bm7 D G D

Tried to keep you close to me

Tried to square not being there

But think that I should have been

G

Hold back the river let me look in your eyes

Hold back the river so I

Can stop for a minute and see where you hide

Hold back the river, hold back

Once upon a different life

We rode our bikes into the sky

Bm7 D G D

But now we crawl against the tide

G D A

Those distant days are flashing by

G

Hold back the river let me look in your eyes

Hold back the river so I

Can stop for a minute and see where you hide

A

Hold back the river, hold back

G

Hold back the river let me look in your eyes

Hold back the river so I

D

Can stop for a minute and see where you hide

A

Hold back the river, hold back

Oho oho ohoho

Lonely water, lonely water won't you let us wander

Em

Let us hold each other
