

# Thinking Out Loud

Ed Sheeran

C Am F G

When your legs don't work like they used to before

C Am F G

And I can't sweep you off of your feet

C Am F G

Will your mouth still remember the taste of my love?

C Am F G

Will your eyes still smile from your cheeks?

C Am F G C Am F G

And darling I will be loving you 'til we're seventy

C Am F G C Am

And baby my heart could still fall as hard at twenty-three

F G

And I'm thinking 'bout how

Dm G C

People fall in love in mysterious ways

Dm G

Maybe it's just the touch of a hand

Dm G C

Well me I fall in love with you every single day

Dm G - strum down repeatedly then stop

And I just wanna tell you I am

C Am F

So baby now

G C Am F

Take me into your loving arms

G C Am F

Kiss me under the light of a thousand stars

G C Am F

Place your hand on my beating heart

G

And I'm thinking out loud

Am C F C F G C

And maybe we found love right where we are

Am F G C

When my hairs all gone and my memory fades

Am F G C

And the crowds don't remember my name

Am F G C

When my hands don't play strings the same way

Am F G

I know you will still love me the same

C Am F G C Am FG

'Cause honey your soul could never grow old its evergreen

C Am F G C Am F

And baby your smiles forever in my mind and memory

G

And I'm thinking 'bout how

Dm G C

People fall in love in mysterious ways

Dm G

Maybe it's just part of a plan

Dm G C

Well I'll just keep on making the same mistakes

Dm G - strum down repeatedly then stop

Hoping that you'll understand

C Am F

So baby now

G C Am F

Take me into your loving arms

G C Am F

Kiss me under the light of a thousand stars

G C Am F

Place your hand on my beating heart

G

And I'm thinking out loud

Am C F C F G C

And maybe we found love right where we are
