

When A Child Is Born

Johnny Mathis

G D G

A ray of hope flickers in the sky

Em D

A tiny star lights up way up high

C D Bm

All across the land, dawns a brand new morn

Em D Am D7 G

This comes to pass when a child is born

G D G

A silent wish sails the seven seas

Em D

The winds of change whisper in the trees

C D Bm

And the walls of doubt crumble, tossed and torn

Em D Am D7 G

This comes to pass when a child is born

G D G

A rosy hue settles all around

Em D

You've got the feel you're on solid ground

C D Bm

For a spell or two no-one seems forlorn

Em D Am D7 G

This comes to pass when a child is born

And all of this happens because the world is waiting, waiting for one child black, white, yellow, no-one knows. But a child that will grow up and turn tears to laughter, hate to love, war to peace and everyone to everyone's neighbour, and misery and suffering will be words to forgotten, forever

G D G

It's all a dream, an illusion now

Em D

It must come true, sometime soon somehow

C D Bm

All across the land, dawns a brand new morn

Em D Am D7 G

This comes to pass when a child is born
