F C Am
Bum bum bum bum bum bum

Am G C
This is my winter song to you
C G F
The storm is coming soon
F C Am
It rolls in from the sea
Am G C
My voice a beacon in the night
C G F
My words will be your light
F C Am
To carry you to me

F
Is love alive?
G
Is love alive?
C Am
Is love...

Am G C
F C Am

Am G C
They say that things just cannot grow
C G F
Beneath the winter snow
F C Am
Or so I have been told
Am G C
They say were buried far
C G F
Just like a distant star
F C Am
I simply cannot hold

F
Is love alive?

G
Is love alive?

C Am
Is love alive?

E F G
This is my winter song.
Am E F G
December never felt so wrong
Am E F
Cause you're not where you belong
F Am G C
Inside my arms

Am G C
Bum bum bum bum bum bum bum bum
C G F
Bum bum bum bum bum bum
F C Am
Bum bum bum bum bum bum

Am G C
I still believe in summer days
C G F
The seasons always change
F C Am
And life will find a way

Am G C
I'll be your harvester of light
C G F
And send it out tonight
F C Am
So we can start again

F
Is love alive?
G
Is love alive?
C Am
Is love alive?

E F G
This is my winter song
Am E F G
December never felt so wrong

Inside my arms
